

CertaDrive LED linear drivers

CertaDrive 60W 0.35A 170V 230V

The new CertaDrive non-isolated single current range is designed for basic lighting and perfect for high volume applications. The range offers a popular vout/lout mix, small dimensions and 50K hours lifetime at Tcase-life. The range consists of versions that are suitable for DC emergency operation and standard versions without this feature. For those customers that prefer more flexibility, the CertaDrive dipswitch versions, with four possible output currents, may be of interest.

Product data

General Information	
Lighting Technology	LED
Operating and Electrical	
Output Current (Max)	350 mA
Output Power (Max)	60 W
Output Power (Min)	36.8 W
Output Current (Min)	350 mA
Output Voltage (Max)	170 V
Output Voltage (Min)	105 V
Mechanical and Housing	
Housing	CertaDrive 210mm

Product Data	
Order product name	CertaDrive 60W 0.35A 170V 230V
Full product name	CertaDrive 60W 0.35A 170V 230V
Full product code	692234190479000
Order code	929002106880
Material Nr. (12NC)	929002106880
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	6922341904790
Numerator - Packs per outer box	50
EAN/UPC - Case	6922341904806
